

COLLEGE OF ENGINEERING THALASSERY

Department of Computer Applications

Program Name : MCA Regular

(Report Assignment 1)

Course Code & Name : 22-382-0203 MACHINE LEARNING

Student Name : ARJUN P

Roll No. : 17

Semester : S2

Year of Admission : 2024-25

Topic :

Dictionaries:

- Regression: Linear regression, Multiple regression
- Bias variance, overfitting, underfitting, regularization
- Classification: Bayes classification, Decision Tree Induction, Rule based classification
- Model based evaluation and selection
- Ensemble learning

Date of Issue : 09/01/2025.

Date of Submission : 28/01/2025.

Submitted on : ____ / ____ / ____.

Faculty Issued : Mr.REJIL K P
